Simple Steps to Ordering from The FlightSim Store!

We make ordering from our extensive range of flight simulation products easy! The best way to order is via our website at www.flightsimstore.com where you will be able to purchase download products and obtain accurate shipping rates for boxed titles and hardware.

Shipping Rates

Our shipping charges are based on the total weight of your order and start at just $4.00. The prices are based on the current published rates as charged by Australia Post. International orders can also be delivered by UPS.

There are two ways to calculate shipping charges for your order. The easiest way is to simply add items to your cart and proceed to the checkout where these charges will be displayed. Alternatively you can use our Shipping Rate Calculator to determine the estimated delivery charge based on the total weight of the products on your order. The product weight is displayed on all pages which list products, such as category listings and search results.

Paying For Your Order

We currently accept the following methods of payment when ordering online:

· All major credit and debit cards
· Paymate or PayPal
· Cheque or Money Order (Australian Dollars Only)
· Bank Transfer (Australian Dollars Only)
· Cash on Delivery (COD) - Additional fee of AUD $9.50 applies when an Australia Post shipping method is selected

Offline orders using the form to the right can be paid for using all major credit and debit cards or by Cheque, Money Order.
